Revised Exhibit A: Scope of Basic Services

(Non-Capital Project)

This revised Exhibit A is an attachment to the First Second Third Fourth amendment to Agreement.

The Completion Time set forth in the original Exhibit A, or in any previous amendment to the original Exhibit A, is amended as follows:

Task No 5, entitled "CONSTRUCTION ADMINISTRATION and OBSERVATION PHASE, is added as a new Task to the EXHIBIT A - Scope of Services, as follows:

A. Services:

The Construction Administration/Observation (CA) Phase shall consist of four (4) site visits. Site visits beyond four shall be provided on an hourly time and materials basis as mutually agreed to by Client prior to providing such services. Such services shall include the following:

- a. Respond to Requests for Information (RFI's), review or take other appropriate action upon submittals received from the contractor (i.e. shop drawings, product data and samples), but only for the limited purpose of conformance with the design concept of the work and with the information given in the plans and specifications prepared by Consultant;
- b. Review substitutions and alternatives, as requested by the contractor and make recommendations to same;
- c. Provide sketch drawings (8.5"x11" format) to clarify and resolve construction ambiguities, if needed;
- d. Issue "Bulletins" related to clarifications, plan and detail changes, error, omissions, and Client requested changes;
- e. Provide Change Orders related to substitutions and alternatives, as requested by the Client and contractor, and make recommendations to same;
- f. Review or take appropriate action upon submittals received from the contractor (i.e. shop drawings, product data and, samples), but only for the limited purpose of conformance with the design concept of work and with the information given in the plans and specifications prepared by the Consultant;
- g. Provide periodic site visits including:
 - 1. Pre-Construction Meeting at onset of landscape installation;
 - 2. Observe and become generally familiar with the progress of the work to determine if the work is generally proceeding in accordance with the construction documents;
 - 3. Observe the installation of plant material and irrigation materials and equipment for general conformance to contract documents and design intent;

- 4 Attend meeting to review landscape installation to initiate plant establishment period and prepare "punch list" of planting and irrigation installation corrections to be completed by the landscape contractor for the installed landscape to comply with the approved landscape construction documents;
 - 5 Attend meeting to review landscape installation at Final Completion ending the plant establishment period for final acceptance and turnover to HOA, and;
 - 6 Inform and advise Client via written documents of Consultant's site observation meetings.
- h. Consultant shall not have control over or charge of and shall not be responsible for construction means, contractor' schedules, contractor's errors and omissions, methods, techniques, sequences or procedures, or for the safety precautions and programs in connection with the Work since these are solely the contractor's responsibility under the contract for construction. Although Consultant may observe and discuss potential problems, these periodic field visits are not construction inspections or a guarantee that there will not be construction deficiencies.

B. Deliverable: No deliverable.

C. Completion Time: The Consultant must complete the services and deliverable for this task in accordance with whichever one of the following time is marked:

- On or before the following date: June 30, 2024, in coordination with the base project construction and maintenance schedule.
- On or before ___ Calendar Days from _____.
