The Compensation Table is subject to the terms and conditions set forth below in Subsections 10.4 through 10.7.

10.3.2 Schedule of Rates and Charges: If the City will compensate the Consultant for any Basic Services on a time-and-materials basis, then **Exhibit B** also sets forth a schedule of the Consultant’s rates and charges (“Schedule of Rates and Charges”). The Schedule of Rates and Charges is subject to the following requirements:

10.3.2.1 Premium Pay: “Premium Pay” is a special pay rate for working during times that are less desirable, such as weekends, holidays or late shifts. The City will not pay Consultant Premium Pay.

10.4 Compensation Table – Part 1: Part 1 of the Compensation Table addresses compensation for the various tasks included in the Basic Services. The following terms and conditions apply to Part 1 of the Compensation Table.

10.4.1 Task Numbers (Column 1): Column 1 sets forth the task number(s) for which the City will compensate the Consultant. Each task number corresponds to the same task number in **Exhibit A**. If a task number included in **Exhibit A** is not included in the Compensation Table, then the City will not compensate the Consultant separately for that task, and payment for such task is deemed included in the other task(s) for which the Consultant is receiving compensation.

10.4.2 Basis of Compensation (Column 2): Column 2 identifies whether the City will pay the Consultant for the task(s) on a time-and-materials basis or on a fixed-fee (lump-sum) basis.

10.4.3 Invoice Period (Column 3): Column 3 identifies when the Consultant must submit its invoice for payment. If invoicing is monthly, the Consultant must submit its invoice to the City by the 10th Business Day of each month for work completed during the previous month. If invoicing is upon the completion of all work, the Consultant must submit its invoice to the Director within 20 Business Days following completion of all work to the Director’s reasonable satisfaction.

10.4.3.1 Invoice: Each invoice must include sufficient information and supporting documents to establish to the Director’s reasonable satisfaction that the Consultant is entitled to the payment requested. The City will pay the undisputed portion of the invoice amount within 20 Business Days of the Director’s approval of such undisputed amount.

10.4.3.2 Invoices Based on Time and Materials: If time and materials is the basis of compensation, then the Consultant will base its invoice on the hours, professional fees, costs, and charges associated with the work completed during the invoice period. If the Consultant is entitled to reimbursable

expenses and/or separate payment for subconsultant costs, the invoice will include such expenses and/or costs associated with the work completed during the invoice period. The City will compensate the Consultant in accordance with the Schedule of Rates and Charges included in **Exhibit B**.

10.4.3.3 Monthly Invoices Based on Fixed Fee: If the Consultant invoices monthly for a “fixed fee,” then the Consultant will base its monthly invoice on the percentage of work completed during the previous month. If the Consultant is entitled to reimbursable expenses and/or separate payment for subconsultant costs, the invoice will include such expenses and/or costs incurred during the previous month.

10.4.4 Compensation (Column 4): Column 4 sets forth the total compensation the City will pay the Consultant for completing the task(s).

10.4.4.1 Time & Materials: If time and materials is the basis of compensation, then the amount in Column 4 is a “not-to-exceed” or maximum amount. Any hours worked for which payment would result in a total exceeding the amount in Column 4 is at no cost to the City. Once the maximum amount has been reached Consultant will cease working on such task until maximum amount has been supplemented. If the Consultant completes the task(s) for less than the amount set forth in Column 4, the Director (in the Director’s sole discretion) **may** use the cost savings to increase the budget of another task. The Director must authorize such reallocation of cost savings in writing.

10.4.4.2 Fixed Fee: If “fixed fee” is the basis of compensation, then the Consultant must complete the task(s) for the amount set forth in Column 4. Any hours worked for which payment would result in a total exceeding the amount in Column 4 are at no cost to the City.

10.5 Compensation Table – Part 2: Part 2 of the Compensation Table indicates whether or not the City will reimburse the Consultant separately for expenses incurred in providing the work. The following terms and conditions apply if the City reimburses the Consultant separately for expenses.

10.5.1 Subconsultants: The cost of subconsultants is not treated as a reimbursable expense. Subsection 10.6 of this Agreement addresses payment for the cost of subconsultants.

10.5.2 Maximum Amount of Reimbursable Expenses: The City will reimburse the Consultant for expenses up to the maximum amount set forth in the last column of Part 2. Any expenses that the Consultant incurs in excess of the stated maximum are at no cost to the City.

10.5.3 Expenses That Are Reimbursable: Any reimbursement to the Consultant is limited to the expenses set forth below in the Reimbursable Expense Schedule. The City will reimburse these expenses at actual cost only unless a markup is specified.

10.6 Compensation Table – Part 3: Part 3 indicates whether the City will compensate the Consultant separately for subconsultant costs incurred in providing any part of the services. If the City will compensate the Consultant for subconsultant costs, the City will do so in accordance with the following terms and conditions.

10.6.1 Actual Costs: The Consultant can invoice the City for no more than the actual cost of each subconsultant plus a specified markup not to exceed 5 percent.

10.6.2 Schedule of Rates and Charges: Any subconsultant rates and charges set forth in the Schedule of Rates and Charges, if one is included in **Exhibit B**, must be the subconsultant's actual rates and charges exclusive of any markup. The City will compensate the Consultant in accordance with those rates and charges.

10.6.3 Maximum Amount: The City will compensate the Consultant for all subconsultants in a total amount not to exceed the amount set forth in the last column of Part 3. Consultant shall not be required to perform any Additional Services that would result in compensation exceeding this amount.
