Any conflicting terms and conditions in an Approved Service Order are invalid and unenforceable.

3.6 Performance: Subject to Subsection 3.5 above, the Consultant must perform the Work in accordance with the specific requirements of the Approved Service Order. The Consultant must coordinate and cooperate with City staff, consultants and contractors in performing the Work, and must perform the Work to the Director's satisfaction.

10. COMPENSATION

- 10.1 **Maximum Compensation:** There is a maximum compensation for this Agreement and a separate maximum compensation for each Approved Service Order.
- 10.1.1 **Maximum Total Compensation – Agreement:** The maximum *total, aggregate* compensation the City will pay the Consultant for all professional fees, costs and expenses for all Approved Service Orders issued under this Master Agreement shall not exceed **Two Million Dollars (\$2,000,000) annually** ("Maximum Total Compensation"), subject to the appropriation of funds, and subject to a maximum aggregate compensation amount not to

exceed Four Million Dollars (\$4,000,000) annually for all City agreements to provide temporary staffing services for Planning, Building Plan Check, Building Inspections, and related services.

- 10.1.2 Maximum Compensation – Service Order:** The cover page of each Approved Service Order will specify the maximum amount payable to the Consultant for all professional fees, costs and expenses related to the Consultant providing the Work (“Maximum Service Order Compensation”). The Consultant shall complete all Work required by the Approved Service Order for no more than the Maximum Service Order Compensation.
- 10.2 Exhibit B – Schedule of Rates and Charges:** Exhibit B sets forth a schedule of the Consultant’s rates and charges (“Schedule of Rates and Charges”) that applies to any services provided in an Approved Task Order on a time and materials basis. The Schedule of Rates and Charges is subject to the following requirements:
- 10.2.1 Premium Pay:** “Premium Pay” is a special pay rate for working during times that are less desirable, such as weekends, holidays or late shifts. The City will not pay the Consultant Premium Pay.
- 10.2.2 No Increases:** The City will not increase the Schedule of Rates and Charges during the Master Agreement term.
- 10.2.3 Conflict:** In the event of a discrepancy between this Section and the Schedule of Rates and Charges, this Section governs.
- 10.3 Compensation Table:** Attachment C of each Approved Service Order is a compensation table setting forth the manner in which the City will pay the Maximum Service Order Compensation (“Compensation Table”). Each Compensation Table is subject to the terms and conditions set forth below in Subsections 10.4 through 10.7.
- 10.4 Compensation Table – Part 1:** Part 1 of the Compensation Table addresses compensation for the various tasks performed in accordance with the Approved Service Order. The following terms and conditions apply to Part 1 of the Compensation Table.
- 10.4.1 Task Numbers (Column 1):** Column 1 sets forth the task number(s) for which the City will compensate the Consultant. Each task number corresponds to the same task number in Attachment A of the Approved Service Order. If a task number included in Attachment A is not included in the Compensation Table, then the City will not compensate the Consultant separately for that task, and payment for such task is deemed included in the other task(s) for which the Consultant is receiving compensation.
- 10.4.2 Basis of Compensation (Column 2):** Column 2 identifies whether the City will pay the Consultant for the task(s) on a time-and-materials basis or on a fixed-fee (lump-sum) basis.
- 10.4.3 Invoice Period (Column 3):** Column 3 identifies when the Consultant must submit its invoice for payment. If invoicing is monthly, the Consultant must submit its invoice to the City by the 10th Business Day of each month for Work completed during the previous month. If invoicing is upon the completion of a task or group of tasks, the Consultant must submit its invoice to the Director within 20 Business Days following completion of the task(s) to the Director’s satisfaction. If invoicing is upon the completion of all Work, the Consultant must submit its invoice to the Director within 20 Business Days following completion of all Work to the Director’s satisfaction.
- 10.4.3.1 Invoice:** Each invoice must include sufficient information and supporting documents to establish to the Director’s satisfaction that the Consultant is

entitled to the payment requested. The City will pay the undisputed portion of the invoice amount within 20 Business Days of the Director's approval of such undisputed amount.

10.4.3.2 Invoices Based on Time and Materials: If time and materials is the basis of compensation, then the Consultant will base its invoice on the hours, professional fees, costs, and charges associated with the Work completed during the invoice period. If the Consultant is entitled to reimbursable expenses and/or separate payment for subconsultant costs, the invoice will include such expenses and/or costs associated with the Work completed during the invoice period. The City will compensate the Consultant in accordance with the Schedule of Rates and Charges attached to this Master Agreement as **Exhibit B**.

10.4.3.3 Monthly Invoices Based on Fixed Fee: If the Consultant invoices monthly for a "fixed fee," then the Consultant will base its monthly invoice on the percentage of Work completed during the previous month. If the Consultant is entitled to reimbursable expenses and/or separate payment for subconsultant costs, the invoice will include such expenses and/or costs incurred during the previous month.

10.4.4 Compensation (Column 4): Column 4 sets forth the total compensation the City will pay the Consultant for completing the task(s).

10.4.4.1 Time & Materials: If time and materials is the basis of compensation, then the amount in Column 4 is a "not-to-exceed" or maximum amount. Any hours worked for which payment would result in a total exceeding the amount in Column 4 is at no cost to the City. If the Consultant completes the task(s) for less than the amount set forth in Column 4, the Director (in the Director's sole discretion) *may* use the cost savings to increase the budget of another task. The Director must authorize such reallocation of cost savings in writing.

10.4.4.2 Fixed Fee: If "fixed fee" is the basis of compensation, then the Consultant must complete the task(s) for the amount set forth in Column 4. Any hours worked for which payment would result in a total exceeding the amount in Column 4 are at no cost to the City.

10.5 Compensation Table – Part 2: Part 2 of the Compensation Table indicates whether or not the City will reimburse the Consultant separately for expenses incurred in providing the Work. The following terms and conditions apply if the City reimburses the Consultant separately for expenses.

10.5.1 Subconsultants: The cost of subconsultants is not treated as a reimbursable expense. Subsection 10.6 below addresses payment for the cost of subconsultants.

10.5.2 Maximum Amount of Reimbursable Expenses: The City will reimburse the Consultant for expenses up to the maximum amount set forth in the last column of Part 2. Any expenses that the Consultant incurs in excess of the stated maximum are at no cost to the City.

10.5.3 Expenses That Are Reimbursable: Any reimbursement to the Consultant is limited to the expenses set forth below in the Reimbursable Expense Schedule. The City will reimburse these expenses at actual cost only unless a markup is specified.

Reimbursable Expense Schedule		Mark Up
1.	The cost of mailing, shipping and/or delivery of any documents or materials.	No Markup
2.	The cost of photographing, printing, reproducing and/or copying any documents or materials.	No Markup

The Consultant acknowledges that it has received a copy of Sections 1.8.2 and 1.8.3 and is familiar with these sections of the Employee Travel Policy.	No Markup
6.	Any expenses expressly identified as being reimbursable in the Schedule of Rates and Charges or in an Approved Service Order.	As specified, not to exceed 10%

10.6 Compensation Table – Part 3: Part 3 indicates whether the City will compensate the Consultant separately for subconsultant costs incurred in providing any part of the Work. If the City will compensate the Consultant for subconsultant costs, the City will do so in accordance with the following terms and conditions.

10.6.1 Actual Costs: The Consultant can invoice the City for no more than the actual cost of each subconsultant plus a specified markup not to exceed 5 percent.

10.6.2 Schedule of Rates and Charges: Any subconsultant rates and charges set forth in the Schedule of Rates and Charges must be the subconsultant's actual rates and charges exclusive of any markup. The City will compensate the Consultant in accordance with those rates and charges.

10.6.3 Maximum Amount: For each Approved Service Order, the City will compensate the Consultant for all subconsultants in a total amount not to exceed the amount set forth in the last column of Part 3. Any additional subconsultant costs that the Consultant incurs in excess of the specified maximum amount are at no cost to the City.

11.3 Duty to Defend: The Consultant's obligation in Subsection 11.1 above applies to the maximum extent allowed by law and includes defending the City, its officers, employees and agents as set forth in Sections 2778 and 2782.8 of the California Civil Code. Upon the City's written request, the Consultant, at its own expense, shall defend any suit or action that is subject to the obligation in Subsection 11.1 above.

- 13.2 Copyright:** To the extent permitted by Title 17 of the United States Code, the Work Product is deemed a work for hire and all copyrights in such Work Product are the property of the City. In the event it is ever determined that any Work Product is not a work for hire under United States law, the Consultant hereby assigns to the City all copyrights to such works when and as created.
- 13.3 Intentionally Omitted**
- 13.4 Consultant's Reuse:** With the Director's prior written consent, the Consultant may retain and use copies of the Work Product for reference and as documentation of experience and capabilities.

The Consultant shall produce the requested Records at no cost to the City.

The Consultant shall avoid all conflicts of interest or appearances of conflicts of interest in performing this Master Agreement. The Consultant has the obligation of determining if the manner in which it performs any part of this Master Agreement results in a conflict of interest or an appearance of a conflict of interest, and shall immediately notify the City in writing if it becomes aware of any facts giving rise to a conflict of interest or the appearance of a conflict of interest.

17.2 Filing Form 700: In accordance with the California Political Reform Act (Government Code Section 81000 et seq.), the Consultant shall cause each person performing services under this Master Agreement, and identified in Attachment B of an Approved Service Order as having to file a Form 700 to do each of the following:

Building Inspection personnel may be assigned to work up to nine (9) hours on weekdays and eight (8) hours on Saturdays.

For Building Inspection, "Basic" experience as used in this Section means having four (4) years of experience and certification in one trade. "Advanced" experience means having the Basic experience plus four (4) years of combination inspection experience and three (3) or more certifications. The daily compensation rates for Building Inspection include costs for use of a vehicle provided by CONSULTANT or the temporary personnel; said costs are not separately reimbursed.

Term	Basic Experience		Advanced Experience	
	Hourly Rate	Daily Rate* (Maximum)	Hourly Rate	Daily Rate* (Maximum)
Year 1 (2022-2023)	\$105	\$840	\$125	\$1,000
Year 2 (2023-2024)	\$108	\$864	\$129	\$1,032
Year 3 (2024-2025)	\$111	\$888	\$133	\$1,064

* Based on eight (8) hours per day. For hours worked less than or in excess of eight hours per day, the CITY shall compensate the CONSULTANT at the hourly rates listed above based on level of experience.

CPI Adjustment (Option Terms Only)

For any Option Terms, CITY will consider an annual adjustment of the CONSULTANT's compensation rates, which adjustment would be made on the first day of the Option Term ("Adjustment Date") and may be up to but not exceeding the increase in the Consumer Price Index ("CPI"). The maximum adjustment would be calculated as follows:

- A. The base for computing the maximum adjustment shall be the Consumer Price Index for Urban Wage Earners and Clerical Workers (with a base year of 1982-1984=100) for the San Francisco-Oakland-San José area, published by the United States Department of Labor Statistics ("Index"), which is published most immediately preceding the applicable Adjustment Date ("Extension Index"), shall be compared with the Index published most immediately preceding the prior year's Adjustment Date or, for the first annual adjustment, the Index published most immediately preceding the commencement date of the initial term ("Beginning Index"). If the Extension Index published has increased over or decreased under the Beginning Index, the maximum compensation rates for the Option Term shall be determined by multiplying the then expiring year or term's compensation rates by a fraction, the numerator of which is the Extension Index and the denominator of which is the Beginning Index. Upon adjustment of the compensation rates, the parties shall immediately execute a written amendment to the Agreement setting forth the new compensation rates, and attach the same as a revised exhibit to the Agreement.
- B. If the Index is changed so that the base year differs from that used as of the month immediately preceding the Agreement's commencement date, the Index shall be converted in accordance with the conversion factor published by the United States

Department of Labor, Bureau of Labor Statistics. If the Index is discontinued or revised during the term of the Agreement such other government index or computation with which it is replaced shall be used in order to obtain substantially the same result as would be obtained if the Index had not been discontinued or revised.

- C. For the purpose of illustration only, if a Beginning Index is 115 and the Extension Index is 124, the maximum compensation rate that may be paid during the extension term shall be: \$ X (the then expiring term's daily compensation rate) multiplied by 124/115.
