EXHIBIT "A"

BILL OF RIGHTS

for Children & Young Adults for Santa Clara County

Every young person must get what they need when they need it, no matter their actual or perceived race, ethnicity, gender identity, sexual orientation, religion, mental or physical ability, nationality, immigration status, criminal history, first language, skin color, education status, or wealth. We value the diversity of our children and young adults in Santa Clara County and believe we must treat each of them with respect and dignity.

All children and young adults have the right to:

- ✓ **Healthcare:** Affordable, timely, and quality mental and physical healthcare that they can access at any time.
- ✓ **Mental health:** Mental and emotional health and well-being and support systems in and outside of the home that promotes emotional and social safety.
- ✓ **Love and emotional connections:** Meaningful connections with consistent, caring adults and peers who love and appreciate the young person for who they are and want to see them grow.
- ✓ **Support and Guidance:** Receive support and guidance from role models who are dedicated to helping them achieve their dreams and goals.
- ✓ **Life Skills:** Training to develop life skills and knowledge as well as opportunities to apply them for their growth.
- ✓ **Education:** A relevant and engaging education that exposes them to other cultures and promotes lifelong learning.
- ✓ **Job Opportunities:** Job opportunities that provide safe and reasonable working conditions, and a living wage, and allow them to grow their careers.
- ✓ **Personal Development:** Time, space, and resources to pursue any interest or opt for rest.
- ✓ **External support for family:** Support that will allow their families to be taken care of so they can pursue their dreams.
- ✓ **Modern needs:** Reliable transportation and wifi, computers that meet their needs, and phones when applicable.
- ✓ **Basic needs:** Enough quality food and water, showers, clean clothes, and hygiene products to keep their bodies healthy.
- ✓ **Housing:** Affordable, stable, safe, and comfortable housing that meets their needs as individuals.
- ✓ **Green spaces:** Easily accessible and clean green spaces that will be preserved for future generations.
- ✓ **Safety:** Feel and be safe in all environments they are in, such as their schools, homes, neighborhoods, and online.
- ✓ **Voice:** Be treated as equal partners in identifying problems, developing solutions, and making the decisions that they are impacted by.
- ✓ **Choice:** Make important decisions for their lives and set boundaries that are respected.

The rights above have not been fulfilled for all youth. Many are limited by the inflexible and overly restrained structure of the environments designed for them. Change to these environments will not happen without mass commitment and action. By combining our personal power and expertise through continuous collaboration, we have the ability to create lasting change for Santa Clara County youth.
